Mother's Day Parking Lot Service

Although we cannot hold our typical Mother's Day service this year, we want to still come together by hosting a Mother's Day Parking Lot Service. This service will begin at 11:00 am. Weather permitting, the worship experience and preaching will

take place outside. Pastor and Sis. Bulgrin will be speaking. At the end of service, FAC will have a gift for all moms and can be picked up under the carport. For this service, our restrooms will be available; however, they will be available for one family at a time.

Parking Lot Prayer Meeting

Leading up to Pentecost Sunday, FAC will be having a prayer meeting in the parking lot. From within our vehicles, we will pray together over the Pentecost Sunday's service. We believe that God can touch people in their homes, cars, church, anywhere!

Stay tuned for details.
